Organization Name **Department of Transportation** Medical Exam **Medical History** Background Investigation
No Financial Disclosure **Yes** Job Description

Closing Date: August 18, 2016

This position provides coordination and County oversight for the implementation of the Purple Line light rail project (construction value over \$2B) and associated County funded projects (construction value of \$200M) in Montgomery County. The primary duty of the position is the day-to-day coordination of all design and construction activities associated with the Maryland Transit Administration (MTA), other State agencies, the Concessionaire, County departments, Montgomery County Department of Transportation (MCDOT) divisions, WMATA, property owners and developers, and the public. This work includes facilitation and coordination of project reviews and technical issue resolution with the various engineering, operations and regulatory disciplines of the County. Other duties include serving as the primary representative to the four (4) Community Advisory Teams (CATs) that will operate within Montgomery County; interfacing with the public, property owners and elected officials on project impacts; and providing project related briefings to the County Executive and County Council.

The individual in this position must have a working knowledge of technical and engineering disciplines related to the design, construction, operation and maintenance of a light rail system or similar public transit system, and have executive level communication, strategic problem solving, and organizational leadership competencies.

As a senior level manager in an organization consisting of unionized employee, the employee must be able to foster a positive labor relations environment based on mutual trust, respect and cooperation in a collective bargaining environment.

Minimum Qualifications

Experience: Seven (7) years of progressively responsible professional experience in the planning, design and implementation of major transportation projects, three years of which were in a supervisory or executive capacity.

Note: The term "executive" is further defined as a high echelon or high level position in an organization that is assigned technical research, management advisory services responsibilities, or policy-making duties and responsibilities that exerts considerable influence on organizational policy, plans, and operations through technical research, management advisory services, and/or policy-making duties and responsibilities (e.g., County positions at Grade 30 or above).

Education: Graduation from an accredited college or university with a Bachelor's Degree.

Equivalency: An equivalent combination of education and experience may be substituted.

Preferred Criteria

Resume must include information specific to the preferred criteria listed below. Make sure that your resume references your knowledge, skills, and abilities as they relate to the preferred criteria. Ideally, the preferred criteria should be addressed in a separate section in your resume. The system only allows for one document to be submitted so your preferred criteria must be part of the resume.

1. Experience planning, design, construction, operation and maintenance of large scale public transportation systems or projects.
2. Experience leading, managing and coordinating employee/teams, tasks and assignments related to the delivery of high profile projects.
3. Experience developing and managing capital project budgets.
4. Experience in community outreach activities.
5. Experience communicating effectively both orally and in writing, including the presentation of complex and/or technical information to high level officials and the general public.

If selected for consideration for this position, you may be required to provide evidence that you possess the knowledge, skills, and abilities indicated on your resume.

All applicants will be reviewed by OHR to determine whether or not they meet minimum qualifications for the position. All applicants who meet minimum qualifications will be reviewed and rated by subject matter experts based on the Preferred Criteria. Based on the results of Preferred Criteria evaluation, applicants will be rated and placed on the Eligible List as either "Qualified" or "Well Qualified." The highest rated applicants will be placed on the Eligible List and may be considered for interview. Employees meeting minimum qualifications who are the same grade will be placed on Eligible List as a "Lateral Transfer" candidate and may be considered for interview. Note: In the event there are 10 or fewer minimally qualified candidates, all will be placed on the Eligible List as Qualified and Hiring Managers will be required to interview a minimum of five candidates. For "seniority" jobs (as shown in Article 8), resumes will be reviewed and rated by subject matter experts based on the Preferred Criteria.
